

INTERNATIONAL MEETING AND CONFERENCE

In collaboration with Spanish Ministry of Inclusion, Spanish Ministry of Education and University Autónoma of Madrid

25-27 OCTOBER 2025 - Residencia La Cristalera (Miraflores de la Sierra – Madrid)

Contents

1. Acquiring practical techniques and tools for training in diversity management in all its forms
2. Art as a tool for social inclusion, promoting values, and fostering understanding of cultural diversity
3. Creating social bonds to enhance teamwork and energize sociocultural processes
4. Milki-Way: didactic tools to develop children's multicultural learning and social inclusion in classroom, through music and a variety of music instruments.
5. Training in the MUS-E methodology for art-based interventions in socio-educational action

Methodologies used:

Plenary: A shared space for working on the same topic in a large group

Professional Forum: An exchange of realities to analyze together, sharing experiences

Workshop: Practical training for methodological exchange applicable to our environment

Lab: A dual resource for theory and practice to address specific topics

Museando: A non-directed exchange space in which participants share proposals
